BEYOND THE POND

Just when you thought it was safe to go back in the pond, here comes the new Frogger II ThreeDeep!

You'll need eyes in the back of your head, and on either side too, as you find yourself hopping in and out of three new, dangerous, and different worlds that go far beyond the pond of the original Frogger.

You'll have to think ahead to survive Underwater, On the Surface, and In the Sky.

You've got to be quick to evade deadly sneaky eels and fight strong currents underwater. And just when you think you've avoided the hippos' shake on the surface, you have to watch out for a persistent killer shark. Or you're gone.

And if you don't bounce high enough in the sky a flying dragon named Clyde will zap you. Are you up to the challenge? Find out. New Frogger II ThreeDeep!

Get hopping on it.
