You're going to LOVE...DAWN!

DAWN...is an easy to learn and use DATA BASE program designed for the ADAM tm computer.

DAWN...is "INTERACTIVE"! The program prompts and guides you each step of the way eliminating complex instructions and providing a "USER-FRIENDLY" environment. You'll be using DAWN in just a few MINUTES!

DAWN...is "VERSATILE"! The only program you'll need to ORGANIZE:

| | | |
|-------------------|---------------|------------------|
| * STUDENT RECORDS | * Q&A TUTOR | * SMALL BUSINESS |
| * APPOINTMENTS | * COLLECTIONS | * EXPENSES |
| * CHECKBOOK | * INVENTORIES | * MAILING LABELS |
| * TAX DEDUCTIONS | * ACCOUNTS | * ETC. |

DAWN...Lets YOU design customized records and files for countless applications. Sample record designs are included with the instruction booklet and may provide you with needed applications or ideas for designs of your own.

DAWN...can SORT records alphabetically or numerically on any ITEM, can SEARCH for only those records that contain a specific match and can TOTAL and AVERAGE any numeric ITEM. ALL the above functions along with the functions of INSERT, CORRECT, DELETE, DISPLAY, GET FILE, STORE FILE, DESIGN, DIRECTORY, ENTER and USE are MENU DRIVEN.

DAWN...lets you release your computer's real "COMPUTING POWER". Quit the "MONKEY BUSINESS" with your computer and get down to "REAL BUSINESS" with...DAWN!

The DAWN program includes a 60 DAY WARRANTY, a DIGITAL DATA PACK and complete DOCUMENTATION.

BONUS!!!!...Early orders (received within 10 days of this mailing) include a FREE DIGITAL DATA PACK for FILES.
