Legs and activator: The front mounted remote switch activator and printer leg set is a must for the ADAM™ owner who uses fan fold paper. This accessory moves control of the power on/off switch to the front of the printer and raises the printer 3- $\frac{3}{4}$ inches on four plastic legs. This allows fan fold paper to be placed under the printer and fed up over the back. Only takes a Phillips Screwdriver to install and requires no electrical modification.

Entire kit (including 4 molded legs, stainless steel activator, mounting hardware, and instructions) only \$22.95 + \$2.00 S/H.

Legs and activator.

Dust covers.

Dust covers: Our dust covers are made from a quality lightweight nylon fabric, and are designed to fit the standard ADAM™ computer. These covers are similar in color to the computers light beige. Fold easily for storage.
