

Honeywell

Enclosed Valuable Coupon - Free Adam Accessory
From Authorized Honeywell Service Location

Dear ADAM Family Computer System User:

When Honeywell became the authorized repair service organization for the ADAM Family Computer System, we took a good idea — our nationwide network of support facilities and expertise — and made it even better. We expanded this already solid foundation to establish a walk-in support capability at selected Honeywell Service Centers. We have provided fast, professional service for all ADAM equipment and normally have it ready for pick-up in five (5) working days. Then we took this good idea and improved on it again.

We wanted to provide a further measure of convenience for ADAM users. So we began making selected ADAM supplies and accessories available at the same locations dedicated to service.

Now we want to find out what *you* think. So we're offering you one of a number of ADAM accessories at no extra charge when you place an order with Honeywell for ADAM products. To be eligible, the order (by mail or in person) must be for a minimum of \$20.00 (excluding taxes and shipping/handling charges).

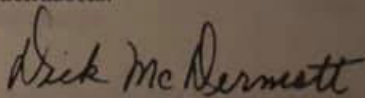

We are providing the enclosed coupon which you may either mail with your order or bring to an authorized Honeywell Service Center.

We want you to appreciate what you may not have realized when you purchased your ADAM — that the service available through a company recognized for over 25 years of selling and servicing computers makes the ADAM an even better value. Your ADAM is supported by Honeywell Service Centers located throughout the United States. The attached directory tells which centers offer mail-in and walk-in service, and ADAM accessories. The centers are open 8:00 a.m. until 5:00 p.m., Monday through Friday.

For your added convenience, we are providing a handy order form that can be mailed to one of the authorized mail-in centers for supplies and accessories. So ordering your ADAM accessories is as easy as dropping a letter in the mail — just fill out the order form, include your check, money order, or Master Card/VISA information and mail it today. Remember to include your valuable coupon.

Our intention is to ship your order within five (5) working days of receipt. We recommend you choose the center nearest you. Also, Coleco shortly will be introducing new items available for your ADAM system. They are the 5¼" Disk Drive, 64K Memory Expander, Address Book Filer (with auto dialer) and Direct Connect Modem. If you have an interest in obtaining any of these new items, please complete the enclosed postcard and drop it in the mail. We will advise you of their prices and availability.

For assistance, please call us at 1-800-225-7930 on weekdays during the hours 8:00 a.m. to 5:00 p.m., Eastern Time. 617-552-5023 within Massachusetts.

Richard J. McDermott
Director, Marketing & Sales
Honeywell Customer Services Division
