Dear Adam User,

Here is your new FALL/WINTER catalog from R & R SOFTWARE. As you will see it is full of New Products, New Prices and more PD titles.

It was this time last year R & R SOFTWARE started and mailed its first PD flyer. Since then we have grown and will continue to grow with your support.

I must state that due to rising postal costs we can no longer do mass mailings. So if you have not ordered from us within the last year, this will be your last free catalog. But if you have or plan to order (with this catalog) you will continue to receive our catalogs for the next year.

The following specials are in effect until 12-31-90;

1) BUY ANY QUANITY OF ADAM DDPs AND PAY ONLY $ 1.80 ea.
2) BUY COLECO'S ELECTRONIC FLASHCARD MAKER AND RECEIVE
      FLASHFACTS: FLASHBACKS AND VOCABULATER FREE!!!
3) BUY SUPER ZAXXON and PAY ONLY $ 5.95
4) BUY 10 PUBLIC DOMAIN TITLES ON DDPs AND RECEIVE THE
      ELEVENTH ONE FREE!!!
5) BUY 5 PUBLIC DOMAIN TITLES ON DISK AND RECEIVE THE
      SIXTH ONE FREE!!!

Finally, thank you to those who supported R & R SOFTWARE for the past year, and with your continuing support we will be here to help in any way we can. From all of us at R & R SOFTWARE we wish you a happy and safe holiday season.

Sincerely,

Richard A Salvati
R & R SOFTWARE
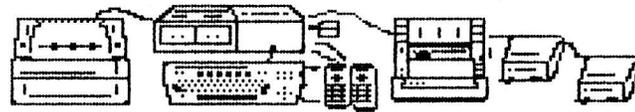

ADAM™
PUBLIC DOMAIN SOFTWARE

SOFTWARE PRICES		All the disks and data packs we use are....
5 1/4 Disk 3.00		
3 1/2 Disk 5.00		**Made in the USA!**
Data Pack 5.00		

NOTICE: To the best of our knowledge these titles are public domain and if for any reason originals are found they will be deleted from our library. Not all PD programs are bug free. Our volumes may have some minor bugs as well! We will indicate those we know of in the title description when possible!

Software Notes:
- **[A,PB]** Volumes are auto-booting unless otherwised noted.
- **[S]** Volumes require the program Videotunes.
- **[C]** Volumes require PD program A022 to be viewed.
- **[G,M,R,F]** Volumes require PowerPAINT or simular program.
- **[SA]** Volumes require the program Mage Quest to use
- **[PD]** Volumes require the program SignSHOP or NewsMAKER.

Documentation:
Some software in the library will come with a intruction sheet (indicated by a *), some will indicate that there is a doc file on it which can be printed out, others may have doc's in the program via on screen commands.
