ADAM™
HOME INFORMATION MANAGEMENT SOFTWARE

A NEW GENERATION IN SOFTWARE!

ADAM™ is the first complete computer system. Consumers don't have to buy another thing unless they want to . . . and they will! As their knowledge grows, owners can take advantage of more and more of the unique tools ADAM™ offers . . . innovative software programs to help them organize important information and manage their home more efficiently. The powers of ADAM™ make the computer the household convenience consumers have been waiting for!

RECIPE FILER

ADAM™ a kitchen helper? Sure, as long as there's Recipe Filer! Store all your favorite recipes in ADAM's™ memory. It's four files in one: file recipes by page, name, type of meal, main ingredient, and occasion of meal—simultaneously! When you find the recipe you want, ADAM™ will print out a shopping list that you can take to the store with you!

SMARTWRITER™ WORD PROCESSING

(Included with the ADAM™ Family Computer System)

The feature that sets ADAM™ apart from every other home computer—a built-in word processing program that's easy to learn and helps produce letter-perfect documents every time!

SmartWriter™ word processing lets ADAM™ do many things that expensive office word processing systems do. INSERT, DELETE, MOVE, SEARCH, SEARCH AND REPLACE, even COPY words, sentences, or paragraphs. The user can also underline text, change margins and fix any typographical errors right on the screen, before printing. Even such functions as super- or sub-scripting and automatic page numbering can be handled quickly and efficiently. Large amounts of text can be edited quickly by highlighting. The versatile Smart Keys help simplify everything with clear onscreen messages and labels to guide the user every step of the way!

SMARTFILER™

Eliminate sloppy file cabinets and messy desk drawers with Smart-Filer!™ This program helps organize personal and business records. Create your own files, arrange them, sort, search, and print them out quickly and easily! You can't beat it, especially at tax time!
