

## B.C.'s Quest for Tires II - Grog's Revenge

You'll have to use these with the ADAM version of "The Best of B.C. - Grog's Revenge", since the individual disk version is bad... unless a good copy has been found.

Start on Mountain 1:

- go into the first cave, press 2,2 to level b
- on level b, go into the first cave and press 3,3 to level c
- on level c, go into the first cave and press 4,4 to go to level d
- on level d, reverse course and go behind the mountain...go to the first cave and enter then press 5,5

this will take you to the "Meaning of Life" end of game.
