### HOW TO WIN AT PITFALL!™

**TIPS FROM PITFALL HARRY:** Go right to start your jungle adventure. Take the underground passage in scene 12, which goes left. Continue left for the remainder of the game, except to backtrack briefly after emerging from underground to retrieve the treasures in scenes 229, 96 and 29. Be sure to use only the six underground passages highlighted on the map. Now that you know the best path to take, keep practicing until you can retrieve all 32 treasures within the 20 minute time limit. Good luck!

"If you can find any writing materials deep in the jungle, drop me a line. I'd love to hear how you and Harry are getting along."
