```
The Dukes of Hazzard: Special Controller Edition
patched by Amy Bienvenu (NewColeco)

Controls:

Left / Right: Steer the car.
Up: Shift up: N, 1, 2, 3, 4.
Down: Shift down: 4, 3, 2, 1, N.
Fire Button: Accelerate.
Release Fire: Slow down.
Keypad: Select menu options.

Only Controller 1 is required.
```

Is there a difference between the two rom attachments?

Yes, but not visible. Slight improvement in rev1 to save near 1000 cpu cycles per frame which should keep game running smoothly.
