Art Gallery 1

PD#12

(compiled by Reedy Software)

Requirements: ShowOFF I to edit and dot matrix printer to print

Directions:

This DDP/disk contains 13 hi-res pictures in SmartPAINT (from ShowOFF I) format. If you do not own ShowOFF I, you can still look at the pictures by using the VIEWER program included on this medium. To use VIEWER, you must first boot up SmartBASIC. In SmartBASIC, enter *RUN VIEWER* to load and run the VIEWER program.

If you own ShowOFF I, you can not only view the pictures with SmartPAINT, but you can edit them or print them (printing requires a dot matrix printer).
